3	Presentation on Youth SUD and Prevention, by Deanne Jackson-Montgomery, Substance Abuse Prevention Coordinator for Bremerton and North Kitsap	✓ Deanne provided a very informative presentation about prevention coalitions in Central and North Kitsap. She discussed Community Prevention and Wellness Initiatives (CWPI), Student Assistance Professionals (SAP's), and Washington State Prevention campaigns. Deanne also explained several current programs being implemented such as a Strengthening Families program for 10-14 year-olds, a Positive Action program, and a Nurse Family Partnership program. She identified current substance abuse problems active in schools such as vaping, marijuana use, alcohol use, and use of illicit Rx meds. Deanne indicated that the Healthy Youth Survey results	

		<p>that should be available in April are likely to indicate both increased use rates among youth as well as younger users.</p> <p>✓ Deanne’s presentation encouraged many comments and questions from attendees. She indicated she would provide to Sam several websites that contain more information about some of the things she shared.</p> <p>Received on 2/28/2022 and forwarded to FYSPRT membership on 3/1/2022.</p>	
4	<p>Non-emergent Medical Transportation inputs (over the past year).</p> <p>a. Challenge 1 - transportation between communities</p> <p>b. Challenge 2 - drivers are not trained to work with children and youth who experience behavioral health challenges</p> <p>c. Challenge 3 - exceeding the speed limit, dropping child off after dark at the wrong address. Transportation broker phone lines close at 4pm</p> <p>d. Challenge 4 - if there is a grievance process, families, youth and providers cannot easily access it</p> <p>e. Challenge 5 - Inconsistent messages when families, youth or providers call the transportation broker for information</p>	<p>✓ This topic was presented to meeting attendees and focused on NEMT history back to Jan 2021. Attendees were encouraged to present any information they believe is relevant to Sam, he will compile the information and forward it to Kris Royal at HCA.</p>	
5	<p>Feedback on App to prevent suicide: Share your Voice</p> <p>Our Ask – What We Need to Succeed: We will need LOTS of feedback from people the app is intended to help - namely transition-age suicidal (or previously suicidal) youth involved in JJ and their parents, including Black youth. We’ll make it easy and people will be compensated for their time.</p>	<p>✓ Development of this app was discussed and attendees were reminded about the importance of having their voices heard. Emphasis was put on youth and families sharing their voice and receiving \$50.00 in compensation as indicated. Sam-2 requested having the information</p>	

<p>Who Can Participate? Teens and young adults, ages 15 to 21 and their parents or legal guardians. Both don't have to decide to participate; for example, a parent can still participate even if their teen isn't interested and vice versa.</p> <p>What Will You Do if You Participate? We will set a virtual meeting (between 60-90 minutes). We will ask for feedback on topics like:</p> <ul style="list-style-type: none"> · basic layout of the apps and how it works · clarity of content · whether they feel excited about using a particular feature · what they would like to see, would be helpful to them · credible messengers <p>Compensation. We pay all our all participants \$50 for each meeting.</p>	<p>sent to him again. Resent to all FYSPRT membership 3/1/2022.</p>	
<p>Suggestions for Salish FYSPRT meeting topics for 2022</p> <ul style="list-style-type: none"> • Youth and Family SUD issues <ul style="list-style-type: none"> ○ Opioid overdose ○ Harm Reduction ○ Naloxone ○ Prevention efforts (Kitsap County Prevention Coalition) ○ Youth Marijuana Prevention and Education (KPHD) • SUD treatment options 	<p>Time did not permit discussion of these items.</p>	
<p>Ad Hoc items:</p>	<p>✓ Nicole L. requested an alternative method of submitting for FYSPRT stipend, she indicated the current paper method induces anxiety. Sam made it clear that her</p>	

		<p>concerns were understood and alternative methods will be explored.</p> <ul style="list-style-type: none"> ✓ Melissa asked the group if anyone knew how she could sue St. Anthony's hospital. Without elaborating too deeply she indicated she is unhappy with services received by her daughter. She received encouragement to obtain an attorney to assist her.
